### **STITTSVILLE COUNCILLOR OFFERS OPEN INVITATION TO MAYORAL CANDIDATES**

Councillor Shad Qadri is extending an open invitation to registered mayoral candidates as well as current Mayor Larry O'Brien to walk the streets of Stittsville in an effort to better understand the needs of the community and its residents.

"It is critical that mayoral candidates have a firm understanding of the City and its various communities," said Qadri. "It is my hope that candidates take this opportunity to view first-hand the community of Stittsville and uncover its benefits and challenges."

The Councillor encourages mayoral candidates to contact his office to arrange a community walkabout.
